About the School for Social Entrepreneurs

SSE was founded in 1997 by Michael Young. Its mission is to address inequalities and social exclusion by supporting social entrepreneurs from all backgrounds to transform their talent into real social outcomes. The SSE runs practical learning programmes aimed at helping develop both the individual social entrepreneur and their organisation simultaneously; our approach, and belief, is that social change is people-powered, and that the most valuable assets and resources we have are human ones.

The School for Social Entrepreneurs (SSE) is the leading UK provider of learning programmes that supports and develops social entrepreneurs: individuals working entrepreneurially to create social benefit.

Our international network extends across the UK, Canada and India.

Firstly, our commitment to inclusion

Diversity is a fact of life. Inclusion is a choice and a practice - for organisations and individuals. At SSE, our aim is to drive inclusion into every area and activity of what we do: from access to programmes, to grant investment, to board, staff and partnerships. However, you identify, we would like to hear from you. In our commitment to continue to diversify our teams, we are especially keen to hear from people who identify as BAME, LGBTQ+ and those with disabilities.

If you require any reasonable adjustments during this process please contact recruitment@sse.org.uk.

About SSE in Cornwall

Cornwall and the Isles of Scilly have a dynamic enterprise culture that is driving the social enterprise movement by creating sustainable social enterprises based on people, planet and profit. Cornwall's unique economic and geographic landscape lends itself to partnership and collaborative working, bringing added benefit across the public, private and social enterprise sectors.

The SSE Office is based in Truro however for this role you will be predominantly based at Newquay Community Orchard <https://newquayorchard.co.uk/> and working across the [Atlantic & Moor geographical area](#). Home working may also be required.

Until October 2020, SSE in Cornwall was an independent Community Interest Company with a close working relationship across our UK & international network of schools. However, in October 2020, along with 3 other independent schools, SSE merged with the School for Social Entrepreneurs (the charity).

The overarching vision for this move, is to shift from being a network of SSEs to one SSE network, rooted in its local communities and eco system, responsive to the external environment, and having a strong and robust core from which to achieve this.

Across our SSE teams, we work hard to ensure all our activities are of a high quality and work supportively with colleagues across the SSE Global network to share good practice and ideas.

Our team in Cornwall is busy, friendly and dynamic. SSE is a vibrant organisation; we work entrepreneurially and are hugely committed to providing quality learning opportunities for social entrepreneurs. In Cornwall and across the SSE network, we continue to enjoy a period of expansion and development. Working at SSE is engaging, exciting and demanding. If you are someone who enjoys creating solutions and contributing your ideas, you'll enjoy how we work.
